Others:

The above image is the content layout and appearance of the page your organization will be presented within the InfoSite.

The top is for desktop's while the right is for mobile devices (not to scale).

The next page will be left blank so as to give you creative freedom on writing about your organization.

(Other than body text, you are free to use headings, bold and italic types, links, lists, and images. We will do our best to present the way your organization intends to do within the Infosite.

Note for images, including your logo, you must add them as attachments when sending this document through email. We can't extract them directly through Microsoft Word or PDF.)
